Thank you so much for choosing Mr. G's Guitars for your music lessons. We offer music lessons for all stages of life, and whatever your age or experience level, we have an education program that will fill your life with music. The following are the new policies for our program.

- 1. Registration:** A non-refundable annual fee of \$25 per student is required at the time of registration. (There is a maximum of one Registration Fee per immediate family, per school year.)
- 2. Lessons:** Monthly tuition is \$110.00 per month for four (4) half-hour lessons at a designated day and time each week. The monthly rate is the same, regardless of the number of weeks in the month. We will make every effort to have a substitute teacher if your teacher is not available. Cancelled or missed lessons will not be rescheduled. Our teachers will not reschedule or provide "make up" lessons for any missed lessons. Inability to attend a lesson does not excuse tuition payment. We also ask that you provide a 2 week notice if you will be stopping your lessons.
- 3. Tuition:** We know that your life gets busy so we are going to make paying tuition easier for you. For your convenience, all tuition payments will be set up by a recurring debit/credit card processing on the 1st of each month for current students and on the date of registration for new students. In the event that a payment processing date falls on a Sunday, the payment will be processed on the following Monday. Any declined card payment will be assessed a fee of \$15. Receipts for lesson payments are provided upon the request of the individual and must be submitted by email. I understand that Mr. G's Guitars may, at its discretion, attempt to process the charge again within 5 days, and agree to an additional \$15 charge for each attempt returned NSF which will be initiated as a separate transaction from the authorized recurring payment. The customer must provide payment information at the time of lesson registration.
